Your guide to Ordnance Survey maps

CHOOSING A MAP OR GUIDE – IT'S NEVER BEEN EASIER

We'd like to help everyone choose the right map, whatever they're doing. Our guide points to the perfect map companion – whether you're walking, driving, cycling, or simply exploring the nation, map in hand.

OS EXPLORER (PAGES 3–5)

OS Explorer is our most detailed folding map. It's the one we recommend for anyone who's getting active in the outdoors – perhaps horse-riding, off-road cycling or setting out on a really good walk.

It covers the whole of Great Britain, with information on useful landmarks such as pubs, youth hostels and visitor information. Rights of way, permissive paths and bridleways are also included.

OS EXPLORER – ACTIVE (PAGES 6–7)

A weatherproof version of our OS Explorer map, ideal for discovering the landscape in all weathers.

Visiting a National Park?

Look for the yellow flash on our popular OL titles, which shows we've included details of footpaths and routes in and around the National Parks themselves.

OS LANDRANGER (PAGES 8–9)

Make the most of our landscape and plan a perfect weekend escape with an OS Landranger map in hand. We've included a wealth of visitor attractions – such as National Trust properties, museum, golf courses, railways and castles – so it's ideal for organising day trips or short breaks, in town or out in the countryside.

OS LANDRANGER – ACTIVE (PAGE 10)

A weatherproof version of our OS Landranger map, ideal for discovering the landscape in all weathers.

OS TOUR (PAGE 11)

Clear, easy-to-use, and ideal for discovering more of Great Britain's hidden treasures. OS Travel – Tour maps are crammed with useful information such as cycle routes and town navigation plans. Each sheet covers just one county or popular holiday area, and shows the features you'll not want to miss. Beaches, markets and hand-picked local attractions are just a few examples.

OS ROAD (PAGE 11)

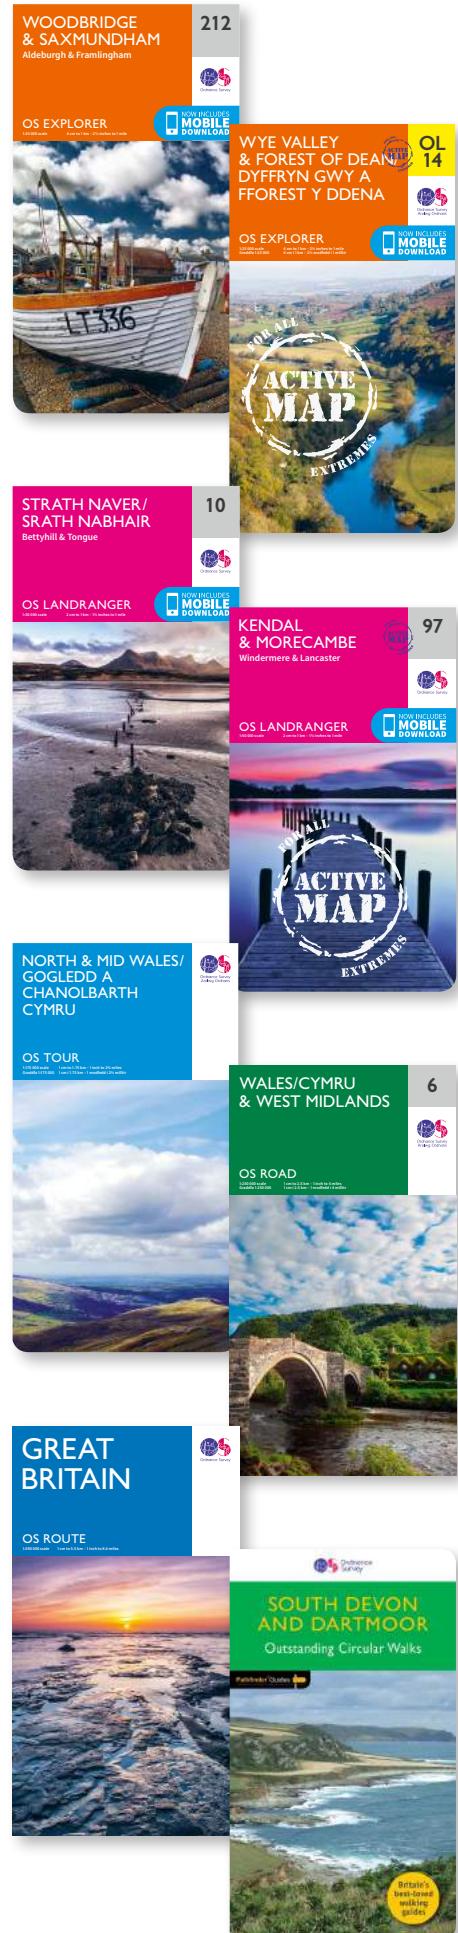

The OS Road Maps are single-sided folded maps, ideal for navigating and planning any road journey. The range of eight covers the whole of Great Britain showing all motorways, primary routes and A roads plus detailed tourist information including National Parks, country parks and World Heritage Sites – as well as a useful town and city gazetteer. Great to take on a family holiday.

OS ROUTE (PAGE 11)

Ordnance Survey's double-sided OS Route Map covers Great Britain and features clear, current mapping of motorways and primary roads as well as city plans and selected tourist information including National Parks and visitor centres.

PATHFINDER GUIDES – WALKING GUIDES (PAGES 12–13)

Each Pathfinder Guide includes 28 beautiful circular country walks, graded by length. All routes come with map extracts based on OS Explorer mapping, GPS waypoints and highlight where to park, good pubs and places of interest en route. Our Short Walks series each includes 20 circular routes ranging from two to six miles, making them ideal for all the family.
